**DO No:** RIT/LKD/CBS/2022

**Dated:** 30<sup>th</sup> September 2022

*Dear Shri Nibin,*

*I am happy to note that we could complete the CBS migration of all 8 SOs of Lakshadweep division successfully during July 2022 within the timeline fixed by the Directorate. This was made possible by the hardwork, dedication and commitment of team Central Region Kerala Circle, despite several constraints like adverse climate, shortage of manpower and non-availability of transportation. By completing this work, Central Region has once again proved that there is nothing impossible to us if we are united.*

*I express appreciation on behalf of Central Region for your commitment and efforts in helping to complete this difficult project which has enabled web based services to the people of Lakshadweep on par with rest of the country and marked a major milestone in the history of the Department of Posts.*

*With best wishes,*

Yours sincerely,

[Mariamma-Thomas]
